## DRIVER'S RESPONSIBILITY

Any driver involved in a traffic accident is responsible for completing an accident report. Following an accident, the driver must contact the Fleet Manager and collect all information requested on the accident report form. Even minor incidents should be brought quickly to management's attention in order to protect against potential claims.

Your accident report and conduct at the accident scene is very important. What is said and done at the accident scene can either help or hinder the successful settlement of an accident case. All drivers must know and understand what to do and say, and be equipped to handle situations as they arise.

The following steps should be taken at the scene of a traffic accident in which you are involved.

1. Stop the vehicle immediately and shut off engine. Failure to stop at the scene of an accident in which you are involved is a criminal offense which may subject you to the penalty of the law in addition to disciplinary action by your employer.
2. Turn on the 4-way flashers and (if available) set out emergency markers (reflectors or flares) in accordance with DOT regulations - One marker 100 feet in each direction from the scene and one near the scene. If the accident occurs near a curve or hill crest, set the markers further away, but not further than 500 feet from the scene.
3. Assist any injured person, but DO NOT move them unless absolutely necessary to prevent further injury (i.e., from fire). Keep any injured person as warm and quiet as possible while waiting for the arrival of emergency personnel.
4. See that help, such as police and ambulance are summoned to the scene.
5. If you are the victim of a hit-and-run, or if the other party of an accident refuses to remain at the scene or give you information, notify the police and give them all the details you can. This way, your report is kept on the police log and protects you if the other party tries to make a claim against you at a later date.
6. Be polite. Provide only the information on your drivers license and the insurance card in your accident packet. Do not offer information concerning the accident to any except the police.
7. Complete the accident report form and return it to the Fleet Manager as promptly as possible. The following must be recorded.
